From the President's Desk

As I write this, I'm looking out my window watching yet another snow storm roll in. While it's snowing and blowing, the Mopars are tucked away, safe from the hostile environment outside. I'm wondering when and if spring will ever arrive. I'd give anything for a clear shot at

a certain groundhog right now. Then I realize that our first 2010 Trexlertown Cruise Night is only six weeks away. There's a lot of work to be done in preparation for the cruise night season. Thank you to those who are already working behind the scenes to get ready for the season. We're counting on help from all our members to make our 2010 cruise night season the best ever. Remember, your help will earn you valuable participation points toward the grand prize at the end of the year.

A reminder, the hoagie orders must be turned in to John Demelfy no later than Sunday, March 14th. You can send your orders to John, or better yet, bring them along to the March meeting. Your sandwiches will be available for pickup on Wednesday, March 24th at the Trexlertown Shopping Center between Sears and Big Lots. This is a major fund raiser for your club, please sell, sell, sell.

Another reminder, I announced at the February meeting, the ultimate cure for cabin fever. There's a huge 3-day car show in Myrtle Beach, SC on March 18-20. Pre-registration is only \$35 and must be received by March 8th. Let me know if you're interested, I'll give you more information. Cheryl and I are driving the 300H down to the show. We'd love for you to make the trip, too. There's no snow to shovel down there.

Our next club meeting is Sunday March 14th at 10:30 AM at Cetronia Fire Company Social Hall. Come early and enjoy the refreshments. Hope to see you there.

That's it for now. Remember, spring is right around the corner. At least that's what I read on the internet.

Mark Souders
